ACOUSTIC DOORS

Timber and Steel Acoustic Doors

We offer the supply and installation of timber and steel acoustic doors. The timber doors are available in a range of performances from STC 30 to 48. The steel doors are available in ratings up to STC 50.

We are able to offer the supply and installation of two ranges on timber acoustic doors.

The Sontron 48mm thick acoustic doors for office and commercial applications. While the thicker TNC Musiczone and Studiozone doors are for higher performance applications such as recording studios, music performance spaces and for speech privacy in top secret rooms.

Timber doors can be metal clad for external use.

We have installed doors in the following locations:

- > ARDU-DMO Edinburgh
- > DSTO Salisbury, Centennial Park Cemetery
- > TIO Darwin

- > DEET Darwin
- > RAAF Edinburgh
- > Umeewarra Radio station Pt. Augusta
- > Darwin Convention Centre.
