FABRIC WRAPPED PANELS

a premium acoustic product.

Fabric wrapped acoustic panels offer a premium acoustic product. Our fabric wrapped panel's acoustic performance can be tailored to meet your requirements. A wide range of fabrics are available as standard or we can test a custom fabric for suitability.

ARCHITECTURAL ACOUSTIC PANELS

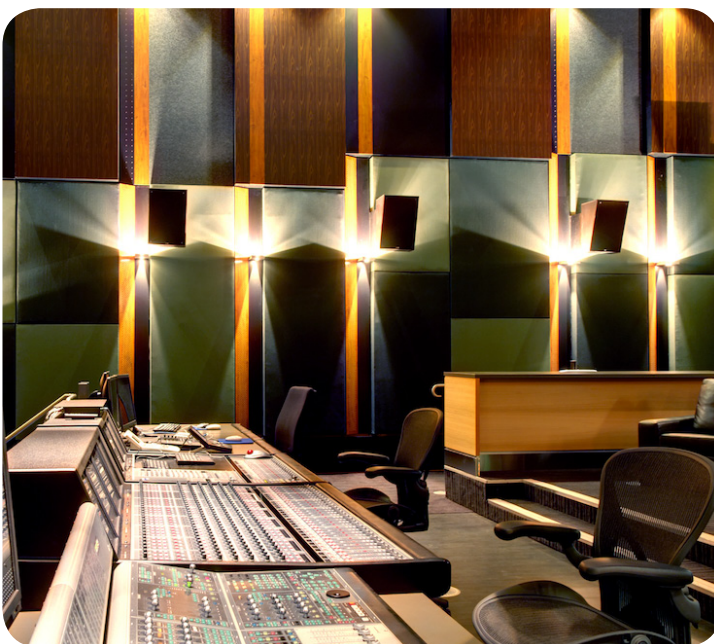

Fabric wrapped acoustic panels are available in a range of acoustic ratings. The fabric wrapped panels are available in a wide range of fabrics.

Panels can be mounted in a variety of way depending on whether panels are to be mounted singularly, butted together or feature an express joint.

We offer the Trilogy range of fabrics as standard but can offer most screen fabrics as an option if requested.

- > High acoustic performance
- > Available in a wide selection of fabric finishes.
